Work Kamper – Guest Services, PROJECT TEAM

About Valdez, and Valdez KOA Journey, Alaska

Valdez, a rural community of 4,000 residents at any one time, is nestled within the Chugach Mountains and known for its world class fishing, not to mention, one of the largest tidewater glaciers in North America. Surrounded by 18 acres of wilderness, our campground provides respite away from the hustle and bustle of a big city. Along with several full hook up RV sites, Tent Sites, multiple accommodation options and a history of great customer service, our Team are considered the best in Alaska, winning awards each season - 7 years in a row. We pride ourselves on providing exceptional customer service to all our guests.

About the role:

This role requires work kampers that take pride in their work and can work without supervision. As you will be working with other team members, you will be expected to be reliable and maintain your responsibilities, which are listed below:

Team Member Responsibilities:

- Building paw pens (digging and setting posts, driving posts with manual post driver, fence building, gates, landscaping, building small dog shelters)
- Building decks for patio sites (using saws, drills, nail guns, and hammers) The patio sites require furniture carrying.
- Assist Owners in de-winterizing the campground.
- The project team will also help set up the glamping tents and carry the furniture and set it up.
- On weekends, the project team will run events for guests (group games, kid activities, pancake breakfasts, etc)
- Provide great customer service to all Guests.
- Work across all areas of the campground assisting the Campground Team when required.
- The project team would need to be able to use all of the tools necessary: Post hole diggers, manual fence posts driver (weighs about 30 lbs), Saws - Hand saws, circular saws, table saw, reciprocating saws, Carrying bags of cement or other heavy items. Bags of cement weigh 60 lbs.

Commitments.

- Seasonal (May 19 – September 3)
- 35 hours per week per person @ \$15 per hour
- One week on, one week off schedule
- \$1,000 end of season bonus for completing season per person
- Paid orientation/training hours on arrival
- Uniform kit provided
- RV Site with electric and water hook-ups. (Honey wagon service included)
- Use of commercial Laundry (does not include pet laundry, nor supplies)
- Propane refill at cost
- 10% staff store discount
- 10% discount for family & friends (All Reservations)

Candidate requirements:

- Ability to bend regularly, stand for long hours and lift up to 60 pounds
- Customer Service experience desired but not compulsory
- Campground work experience desired but not compulsory
- Basic information technology knowledge
- Commitment to end of employment date
- Ability to work in a Team environment
- Pass a background check for successful applicants
- Have a current drivers license
- Must be able to legally work in the US.
